

# Camp Asolo Rep

Camp Asolo Rep explores the process of creating a character through acting, voice and movement. Professional teaching artists lead students through exercises aimed at cultivating the tools an actor uses throughout the rehearsal process. Our young actors work extensively as an ensemble, creating a supportive environment where each and every person feels free to express themselves creatively.

The mornings are spent in classes on voice, movement and acting while the afternoons are spent rehearsing a piece to be performed at the end of the session. The performance will be made up of scenes, monologues and poetry as well material composed by the students themselves.

Above all, Camp Asolo Rep is just plain fun. Here are just a few things our participants and their parents have had to say:

*"She had a tremendous experience, and whatever you did to foster the cohesiveness of the group was admirable."*

*"They both loved it – and you!"*

*"More days, weeks, MONTHS!"*

*"My favorite part was everything!"*
