

COLLEGE OF EDUCATION

Dean's Leadership Society 2009

The Dean's Leadership Society is a unique group of alumni and friends who contribute generously to the future of the College of Education at the University of North Texas. By supporting the Dean's vision, these leaders volunteer to support the College of Education in ways that are very personal and meaningful to them. Whether funding scholarships to attract students or recognizing distinguished professors, the common goal of members is to empower students, faculty and staff of the College of Education to be the very best.

Members of the *Dean's Leadership Society* help the College of Education achieve its vision by contributing at least \$1,000 annually. *The Dean's Leadership Society* strives to unite those who are especially interested in the future direction and growth of UNT's College of Education and serves as an inspiration to others. Their gifts not only provide a major source for scholarships and other student aid, but they also give the Dean invaluable flexibility in spending where the need is greatest or when special opportunities arrive.
